

Dear colleagues!

We are glad to invite you to participate in the Annual International Workshop on Advances in Methods of Information and Communication Technology (AMICT'2019). This workshop is a result of the long-term cooperation between the computer science departments of the universities of Helsinki and Petrozavodsk. Starting from 1994, the workshop was entitled "Finnish Data Processing week (FDPW) at the University of Petrozavodsk" and since the year of 2006, FDPW was renamed to AMICT. Programs of the previous seminars can be found at <http://www.cs.karelia.ru/fdpw/index.php.en>

This year AMICT will be held in the frame of the 21st conference of the Open Innovations Association FRUCT in the city of Helsinki, Finland, on **5-8 November 2019**:
